## About UConn

### Facts

The University of Connecticut is one of the top public research universities in the nation, with more than 30,000 students pursuing answers to critical questions in labs, lecture halls, and the community. Knowledge exploration throughout the University's network of campuses is united by a culture of innovation. An unprecedented com-mitment from the state of Connecticut ensures UConn attracts internationally renowned faculty and the world's brightest students. A tradition of coaching winning athletes makes UConn a stand-out in Division I sports and fuels our academic spirit. As a vibrant, progressive leader, UConn fosters a diverse and dynamic culture that meets the challenges of a changing global society.
