

Revive Therapeutic Services Capability Statement

At Revive Therapeutic Services, our unwavering commitment to providing comprehensive and compassionate care sets us apart as a leading provider of Behavioral Health services in New England. Our team of experienced mental health professionals specializes in helping individuals struggling with a wide range of mental health and behavioral issues, including depression, anxiety, bipolar spectrum disorders, ADHD, PTSD, and life transitions.

Our team is comprised of psychiatrists, psychiatric mental health nurse practitioners, and licensed therapists with years of experience, ensuring that our clients receive the highest level of care possible. We offer a range of services that include Individual and Group Psychotherapy, Psychiatric Medication Management, and provide innovative solutions to those experiencing treatment-resistant depression such as Transcranial Magnetic Stimulation (TMS) and Genetic Testing.

At Revive Therapeutic Services, we prioritize building strong and meaningful relationships with our clients, providing them with a safe and supportive environment to address their unique needs. Our team employs evidence-based practices and personalized treatment plans to ensure that our clients achieve their goals and improve their overall well-being.

We understand the importance of access to quality care for all individuals, which is why we accept most insurance plans and offer affordable self-pay options. At Revive Therapeutic Services, we are dedicated to helping our clients confront their mental health challenges, promoting growth, healing, and achievement of their full potential.
