

KEA PEST CONTROL

CAPABILITY STATEMENT

Company:

KEA Pest Control is a Connecticut based, minority owned, small business located in East Granby. We provide services throughout the state of Connecticut. Our founder, Rasheed Straughn, established this business back in 2011 to continue the quality of pest control services that he had developed during prior years of experience with other companies. At KEA, we are insured professionals and licensed with the Connecticut Department of Energy and Environmental Protection.

Key Products:

KEA Pest Control offers special maintenance and prevention programs for specific pest problems. These programs are tailored to successfully control the current problem while preventing more problems from occurring. We follow an Integrated pest management (IPM) service model which takes environmental toxicity into consideration.

We specialize in: Bees/Wasps, Carpenter Ants, Various Ants, Mice/Rats, Bed Bugs, Roaches, Flies, Occasional invaders and much more!

Experience: With over 21 years of experience working in the pest control industry, KEA has extensive knowledge and expertise in servicing:
