

# SUPPLIER DIVERSITY PLATFORM

Start, enhance, and grow your supplier diversity efforts with our all-in-one platform that's made to scale.

# ABOUT US

Originally designed for the aerospace and defense industries, SupplierGateway has evolved into a global, comprehensive supplier information management platform for companies seeking to build a resilient, compliant supply chain. For over 20 years, SupplierGateway has supported some of the world's most recognizable brands and municipalities, and continues to create innovative procurement solutions.

As a minority-owned company, SupplierGateway is deeply committed to Corporate Social Responsibility (CSR) across all operations. As a leader in supplier management, it not only facilitates access to diverse suppliers for other organizations but also embodies its principles by prioritizing diversity, equity, and inclusion within its own corporate structure.

# CHALLENGES

Supplier Diversity Management Software focuses on optimizing the inclusion and performance of diverse suppliers within the supply chain. These diverse suppliers are typically businesses owned by minorities, women, veterans, LGBTQ+ individuals, and other underrepresented groups. SDMS aims to address several challenges associated with sourcing and managing a diverse supplier base.

## Identifying & Onboarding Diverse Suppliers

SDMS simplifies the discovery and integration of certified diverse suppliers into the supply chain by providing easy access to relevant databases and streamlining the onboarding process.

## Strategic Sourcing & Spend Analysis

SDMS facilitates informed spending and sourcing decisions on diverse suppliers, aligning with corporate strategies and goals.

## Compliance & Reporting

SDMS automates the tracking and reporting of diversity spending and performance metrics, ensuring companies meet internal and external supplier diversity requirements and regulations.

# BUILD A RESILIENT & DIVERSE SUPPLIER NETWORK

How to leverage technology to identify & manage diverse suppliers

## Utilize Advanced Filtering Tools

Categorize suppliers based on diversity certifications  
+SupplierGateway has a database of over 5.5 million suppliers

## Analytics & Reporting Tools

Assess your current supplier diversity & identify gaps in your supplier network  
+SupplierGateway has analyzed over \$437B in client diversity spend

# HOW IT WORKS

## SUPPLIER DIVERSITY PLATFORM

# SUCCESS STORIES

“At a fraction of the cost of the nearest competitor, SupplierGateway delivered results that gave our team a command of our supplier diversity program. **We ultimately increased our diversity spend by 52%, year over year.**”

This powerful platform is easy to use, reliable, and affordable. I highly recommend it.”

Michael McCullough  
SVP, Supply Chain  
WellStar Health System

“Over my years in this space, I have seen supplier diversity finally move from so-called “philanthropy” to “business imperative.”

**Our customers ask about our supplier diversity efforts just as much as the communities we work in.** It has been very impactful for Digital Realty to regard supplier diversity as smart business and to work with good partners like SupplierGateway to achieve our goals.”

Melanie Handy, Global Supplier Diversity Leader  
Digital Realty

“SupplierGateway’s platform has been critical to Giant Eagle’s Supplier Diversity program. **Data enrichment has helped us identify new, diverse suppliers, and we’ve leveraged the extensive supplier database to find new suppliers that support our company’s needs.** Single sign-on also makes the platform accessible to all our team members.

Giant Eagle is grateful to have this easy-to-use platform at our fingertips as our program grows!”

Jenn Benjin
