Mission

At ABC/Package Express, we're not just a business – we're a local, family-owned establishment deeply rooted in the community. We understand the unique challenges businesses face, and we're dedicated to providing solutions. Our commitment extends beyond regular business hours; we're available 24/7/365, ensuring that you have a trustworthy partner whenever you need us.

Whether you're a manufacturing company, medical lab, e-commerce business, or any enterprise seeking courier services, we offer more than just logistics – we offer a personal touch. Call us for the most cost-effective and timely solutions tailored to your specific needs. Your satisfaction is not just our goal; it's our family tradition.
